Company : DesignBrewery OPC Private Limited
Company Name : DesignBrewery OPC Private Limited
Nature Of Business : Design & Marketing Agency
Designation : UX Designer
Tentative Job Location : Gurgaon

Design Brewery is seeking an Experience Designer as a star studded addition to our UX UI team. Weâ€™re looking for a thought leader, who can help create stellar designs. The ideal candidate should possess an excellent sense of creative strategy that enables him to communicate, and drive design solutions for our products.

ELIGIBILITY

- Strong online portfolio with demonstrated examples of designing great user-centered experiences and applications.
- Knowledge of tools such as Figma/ XD/ Sketch, Framer, Invision, etc.
- Masters/Bachelors Degree in user interface design, HCI, interaction design, visual communication/graphic design or related field preferred.

JOB PROFILE

Description :

- Take part in ideation, planning and prioritisation of our diverse range of projects keeping the short and long-term goals of the organisation in mind.
- You will be responsible to set the bar high! Mediocrity is not acceptable in DB. We need you to establish that as an example.
- Evolution is the key- You need to keep iterating on processes and solutions to make sure what goes out of DB is no less than perfect!
- While the world is building user centric designs, we need to go a step further and also include the business side and make sure that it breaks the success charts when released in the market.
- Conduct design reviews and status meetings. Facilitate design sprints, workshops, brainstorming sessions.
- Prioritize research and design improvement opportunities in a fast-paced, rapidly changing environment.
- Ensure that projects are well-defined, high impact, and successfully executed.
- Collaborate with your peers in leadership to define a strategic vision for what we build, helping focus on solving user problems.

We are seeking an Experience Designer who loves change and knows how to manage it. You can work effectively in a dynamic environment, juggle multiple projects, and prioritize work. Experience working in Agile/Scrum development processes is a big plus.

You should have excellent communication and presentation skills. You are able to clearly articulate design decisions within a larger context to the team and leadership.

All in all, we are looking for a passionate, self driven, creative like hell (!) experience designer who makes it the experience of a lifetime working with him/her. If this sounds like you, donâ€™t waste a second thinking about it- come on in!
